

**ORGANIZED/ATTENDED – ACTIVITIES/GUEST LECTURE / TRAINING
PROGRAMMES / FDP/ WORKSHOPS / DEVELOPMENTS**

ACADEMIC YEAR : 2012-13

GUEST LECTURES:

1. Organized a guest lecture on “Introduction to S- Nets” on 28th April 2013, by Dr. Sivanadam, Professor, Dept. EEE, NIT Calicut.
2. Organized a guest lecture “The Role of UHV Laboratories in Power System Technology Development” by Dr. Devendranth, Joint Director, UHV Laboratory, CPRI, Uppal, Hyderabad, on 21st December 2012.
3. Organized a Talk on “Design Aspects of Power Electronic Equipment’s”, on 27th December 2012 by Mr. SudhakarBakki, Department of EEE(Alumni, Presently Working as Assistant Manager – Engineering, EMERSON – Network Power, USA).
4. Organized a special lecture on “Initializing Networks containing Inductor Loops and Capacitor Cut-sets by Dr G. GovindaRao, Sr. Professor, on 1st of Feb-2013 (Friday).
5. Organized a special lecture on “Soft skills & Personality Development” by Sri S.V. Satyanarayana, Disciple of Swami ParthaSarathy, Vedanta Institute, Visakhapatnam on 22nd of Feb-2013 (Friday).
6. Organized a guest lecture by Sri A. Velayutham, I. E. S, Ex-Member, Maharashtra Electricity Regulatory Commission and Ex- Director (Grid Operation), Central Electricity Authority (C. E. A), New Delhi on “Indian Power Sector - Issues and Priorities” under TEQIP-II S.C. 1.2 on 1st April 2013 at Auditorium.

TRAINING PROGRAMMES / FDP/ WORKSHOPS:

1. Organized a 5- Day Short Term Course on “Special Topics in Electrical Network Theory” from 24-28th September 2012 under TEQIP-II, Sri Pawan as Coordinator.
2. Organized a training program on “EDWIN XP SPICE software”, by M/s Ambition Technologies, New Delhi on 26th& 27th of Feb 2013 in Electrical Systems & Simulation Lab – EEE.
3. Dr. C. V. K. Bhanu, Professor and In-house Director, “Center for Renewable Energy & Energy Efficiency”, conducted a three-day workshop towards research orientation on “Solar PV System & Energy Efficiency” and two-day Exhibition by Solar Industries.
4. Organized a 3- Day Workshop & Exhibition on “Solar PV Systems & Energy Efficiency” (under GVPCE-Steinbeis Centre for Energy Efficiency & Renewable Energy) from 15-17th March 2013 at Mechanical Seminar Hall.
5. Organized a training program on “Converter Modules of Power Electronics & Drives”, by M/s Vi Micro systems, Chennai, on 15th of March 2013 in Electrical Networks Lab – EEE.

NSS ACTIVITIES

1. Organized NSS activity – International White Cane Day for the blind 2012 on 19 November 2012 Coordinated by Sri Y. C. V. Kondaiah.
2. Organized NSS activity – Special camp (7 days) in chandhakafor the creating awareness and motivating the residents of the village for their benefit from 21-02-2013 to 28-02-2013 Coordinated by Sri Y. C. V. Kondaiah
3. Organized Department activity- Teachers day celebrations on 5 September 2012 coordinated by Sri Y. C. V. Kondaiah
