9. Organisational Chart

10. Student feedback mechanism on Institutional Governance/faculty Performance:

- i) The performance of each faculty member is evaluated by the students at the end of every semester through a suitable designed questionnaire. The faculty member is expected to take note of the remarks and introduce appropriate measures for improvement. The Head of the Department is also required to discuss the feed back information with each individual teacher and guide him/her in introducing necessary improvements.
- ii) The performance of each faculty member as a teacher is monitored every semester by evaluating the pass percentages in the subjects taught by him/her in each semester.
- iii) Each faculty member is required to submit an annual report about all of his activities for every calendar year through a self-appraisal form.
- iv) A proposal is under consideration where all the faculty in the College evaluate the performance of the Principal and the performance of the Heads of the Departments.

11. Grievance redressal mechanism for faculty, staff and students:

Complaint boxes are provided. Meetings with faculty, staff and students are organized to discuss their grievances and to initiate necessary action.
